HR Weekend by JobTiger

The 27th edition of HR Weekend will be held in June. We will traditionally discuss the most actual topics and problems in the field of Human resources in Bulgaria and share good practices with each other. Last but not least, we hope to meet you and share the pleasant emotion of a summer HR Weekend with you.

With its informal and friendly environment the event has established itself as a tradition in the calendar of the HR community in Bulgaria.

Balkan Hotel, Chiflik

The topics are to be announced!

Follow the event webpage
for more information!

SCALE UP YOUR CAREER

The newest event on JobTiger's calendar aims to assist the talented and ambitious people to discover a fulfilling career realization. The event is an innovative career forum, where people with professional experience have the opportunity to meet with leading companies finding opportunities to rediscover or develop their career. The forum includes a Conference with leading speakers, discussing the topics of career rediscovery.

For the first time participating companies will have the opportunity to conduct meetings with groups of participants within specific rooms. With such meetings companies are able to identify candidates who are suitable for them. For a number of participating visitors this will be a direct chance for professional realization.
